Wait Pool Policy

Open Arms' goal is to provide developmentally appropriate care and education to each individual child. To achieve this, we believe that each age group (infants, wobblers, toddlers, pre-school, kindergarten, school-age) should have a balance of boys and girls (*if possible*). The process of our wait list is as follows:

- ❖ When your application is received, you will be added to our waiting list.
- ❖ As an opening occurs, we consider
 - The date of the application
 - Age and gender of your child (to maintain a balance in the classrooms)
 - You will be contacted when a space is available.
- ❖ You will have **24 hrs** to respond to our call.
- ❖ If we do not receive a response, we assume you no longer need our services and will be taken off the list.
- ❖ If you decide to decline our services, we will also take you off the list.
- ❖ We will make contact periodically, by email;
billingandenrollment@openarmsfairbanks.org
Please respond to this email: if you are still interested or no longer need our services; otherwise you will continue to receive our emails.
- ❖ We have many children of all ages on our waitlist and cannot predict a wait time or entry date for your child.
- ❖ We will contact you via email or phone as soon as a space becomes available to begin the enrollment process for your child.
- ❖ Please email any changes in your contact information to
billingandenrollment@openarmsfairbanks.org

Open Arms Board of Directors requires the registration fee to be paid in full when you accept a space in our program.

- ❖ If you rely on a subsidy program to pay any part of your tuition, you are responsible for the **entire cost** of enrollment until we receive an official copy of the agency's authorization.

We look forward to serving you and your family!

We appreciate your cooperation as you wait patiently for an opportunity to enroll your child/ren in our program.

Please email any changes in contact information to billingandenrollment@openarmsfairbanks.org We will call, email or text you when there is an opening in the program. Thank you for your interest in our program!
