See you there !!!

Mark Your Calendar!

We will be holding the 6th Annual Truck Touch on
July 13th 2013

The Truck Touch originally started from a small fundraising idea based on allowing children to get up close and personal with different modes of transportation - everything from fire trucks and police cars to motorcycles and race cars. This event has grown into a community sponsored day of fun the entire family can enjoy.

If you would like to volunteer to help at the Truck Touch or if your business would be interested in sponsoring the event, please let us know!

Interim Director's Corner

If there's something that you're dreaming of, then in July it all will come true, because you deserve it all...
HAPPY BIRTHDAY!

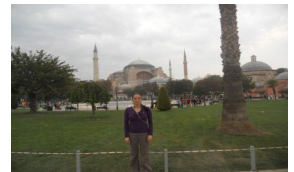

My name is Maria Vilchez. I grew up in Costa Rica, have now lived in Fairbanks for fourteen years, and have been happily married for that time. In 2004, I received my credentials for my Childhood Development Associate. (C.D.A.). In 2011, I received International Montessori Teaching Diploma and Associate Degree in Early Childhood at the University of Fairbanks.

I have been teaching for 14 years in preschool, two of those years at Play and Learn East and twelve years split at Open Arms Childhood Development Center and at Fairbanks Montessori School. The majority of the time has been spent with the Preschool age and two years was spent with toddlers. I have attended various conferences and workshops involving different intervention methods of teaching which include: discipline and guidance, positive behavior, play and social skills, environments, families and more.

As the new Interim Director of Open Arms Child Development Center it has been my sincere pleasure and honor to be a member of this great school since 2001. I am truly honored to be appointed to this position and I am looking forward to working with dedicated staff to provide the best possible care and education to the children.

Parents, teachers, support staff and administration all have an important role to encourage our children to become active learners. Through a close and friendly partnership with everyone associated with Open Arms Child Development Center I am confident we can make our school even better place for our children to learn and grow.

Sincerely,
Maria Vilchez

Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up.

Deuteronomy 6:7

EMPLOYEE OF THE MONTH

Vince Bowers

Vince came to my son's soccer game last night because the kids had asked him to (couple kids from Open Arms on team). He is always nice and warm to the kids and deserves to be recognized for his good work.

We would like to recognize employees who have given exceptional care to a family or co-worker. Each month, we review nominations and select one employee to receive this award. The selected employee will receive a \$50 bonus and a designated parking space for making a difference! Don't forget to nominate your favorite employee. Nomination forms are available on the check in counter.
